

# Lesson Sketch with CRISPA

---

\_\_\_\_ Connections    \_\_\_\_ Risk Taking    \_\_\_\_ Imagination    \_\_\_\_ Sensory Experience

\_\_\_\_ Perceptivity    \_\_\_\_ Active Engagement

---

**Grade Level** \_\_\_\_\_

**Time needed:** \_\_\_\_\_

## Preparation and Materials

What do I need in order to set my students up for success?

Am I taking any risks as a teacher?

## Modeling

How will I show my students what I am expecting? How will we create a safe environment for learning?

## Body of the Lesson

How will we orchestrate our time together?

## Reflection

What went well? What will I change? How might I use the dimensions differently?
